OBJECTIVE

Passionate and driven Computer Science student seeking the Social Media role in the ACM Student Chapter. Bringing hands-on experience in leadership, digital outreach, event management, and public speaking, combined with a strong track record of managing community platforms, technical projects, and innovative operating systems like Astra OS.

EXPERIENCE / LEADERSHIP

Founder & Lead Organizer | *Euphoria (Youth Organization under Shri Jagannath Welfare Society)*

- Founded and managed a youth organization dedicated to social initiatives and community engagement.
- Direct and oversee the organization's official Instagram handle, curating content, managing digital outreach, and executing online campaigns.
- Plan, coordinate, and execute grassroots events, handling logistics and publicity to maximize participant engagement.

Volunteer & Coordinator | *Agents of Change – National Agentive AI Bootcamp & Buildathon (OIST ACM & ACM-W)*

- Actively contributed to organizing and coordinating a national-level technical bootcamp and buildathon hosted by OIST ACM chapters.
- Assisted in managing participant flow, on-ground event execution, and promoting event highlights.
- Secured Runner-Up position and served as Coordinator for Technowave, a KBC-style coding competition held as part of the event.

PROJECTS & TECHNICAL WORK

Astra OS | *Open-Source AI Agent Operating System – Project Development*

- Contributed to the development and conceptualization of Astra OS, an AI-powered platform built to conduct mock interviews, integrating multi-LLM orchestration, multi-agent frameworks, and structured system components.
- Focused on bridging technical backend design with clear functional structure, optimizing how user interfaces and system commands interact.

In-House Java Application Development Intern | *Techdigi Software Pvt. Ltd. & OIST Bhopal*

- Completed a rigorous 60-hour hands-on internship program focusing on core Java application development.

InnovX (Fire X Regiment) | *OIST Bhopal*

- Participated in collaborative innovation challenges, contributing to team-based prototype development and presentation.

EXTRACURRICULAR ACHIEVEMENTS & PUBLIC SPEAKING

Best Speaker (Debate Competition) | *National Engineers Day & Institution's Innovation Council*

- Awarded Best Speaker for articulation, critical thinking, and persuasive communication.

Anchor / Host | *TechAcme 2K5 (Oriental Group of Institutes)*

- Successfully hosted valedictorian anchoring duties for a major inter-college technical symposium.

Organizer | *Speakathon (Department of Basic Sciences, OIST)*

- Played a key organizational role in planning and executing the Speakathon event.
